Oh, let us sing

And cheer the merry

As we sing our battle song

It will always be a rule to

If there had been a thousand
From whom to choose a friend,
Our first and last and only choice
You surely would have been.

If you had a thousand years
To help us all, you would,
You'd never be more kind to us
We don't see how you could!

If we had a thousand years
To pay you all we owe,
We'd do our best, our level best,
Because you've helped us so!

Mrs. Maxine Hancock

We've labored hard, we've labored long
To put our thoughts into a song,
A song to one we'll e'er recall
As patient, kind, and friend to all.

Who's been our strength when roads seemed long
Ready ever to right a wrong;
Who kept our faith and purpose clear,
And taught us what to hold most dear.

Long years from now, our hearts will glow
With mem'ries warm of debts we owe.
We'll thank you then, as now we do,
And keep the place in our hearts for YOU!

A hot and cold ball club during the first two months of play, our team leveled off in mid-January to maintain a five game winning streak that places them in serious contention with Jefferson and Gilboa for the "B" division crown. Currently sporting a 6-5 "B" division record and 10 won, 5 loss season, our team has well represented Duanesburg Central School during the 1960-61 campaign.

JUNIOR VARSITY 1960-61
"B" Division Champions

Our strong Junior Varsity team established an 11-4 won-loss record while winning the "B" Division of the Schohaire County League.

J.V. Cheerleaders

Left to right: Sharon Johnson, Andrea Heitkamp, Virginia Lawton, Lillian Yauchler, Carol Barlow, Karen Humphrey, Joan Turnbull, Beatrice Yauchler.
Manager: Elizabeth Van Patten.

Baseball

"B" DIVISION CHAMPIONS

In compiling the most impressive won-lost record in the history of Duanesburg Central School, our 1960 baseball team went undefeated during regular season play. They won eight consecutive games in the "B" Division of the Schoharie County League in the Section II post season tournament.

Soccer

Our 1960-61 soccer team, composed primarily of Sophomores and Juniors, won one, lost six, and tied three games. Better records should be in store for these boys as they return to varsity action next year as an experienced unit.

Cross Country

The speed and endurance of the Cross Country Team under the guidance of Mr. Danial Ferrone enabled our 1960 team to establish an excellent season record as this strenuous fall sport was returned to Duanesburg Central's sport calendar for the first time since 1954.

Athletic Association

FIRST ROW: Judy Hayner, Dorcas Ann De La Mater, Richard Yauchler, Kathleen Merli, Vivian Nocian. SECOND ROW: Robert Evans, Fredrick Heitkamp, David Dickson, John Costello, George Yann.

ORGANIZATIONS

National Honor Society

The National Honor Society was chartered in 1944 with the four letters - S, L, S, C representing four goals - service, leadership, scholarship, and character. To be eligible a student must have a minimum over-all average of 85% beginning in grade 9.

Student Council

The Student Council represents the voice of the student body. Among the many projects accomplished this year are the establishment of traffic patterns in the halls, participation in the Student Exchange project in cooperation with the International Relations Club, and the active membership in the Schoharie County Student Organization.

Lock Club

The purpose of the Lock Club is to build a fellowship of girls devoted to the task of realizing in our common life those ideas of personal and social living to which we are committed by our faith as Christians.

F.H.A.

The Future Homemakers of America is a national organization of junior and senior high school students of homemaking focused on helping each other to improve personal, family, and community living.

International Relations

The International Relations Club was organized and incorporated by the State in 1955. In an attempt to promote better understanding of the people of the world, members have completed individual projects, and the club as a whole, has produced programs in addition to visiting the U.N.

Chess Club

The chess club was organized to educate the student in the fundamentals of a chess game. The purpose is to supply entertainment and to prepare the members for tournaments with other schools.

Skiing Club

The Skiing Club was formed this year in order to instruct students in the art of skiing. The club has taken several trips to Pattersonville for skiing instruction.

Riding Club

The Riding Club was organized to provide an opportunity for those students interested, to learn more about the care, handling, and pleasure of working with horses.

Projectionists' Club

The Projectionist Club is composed of students who have been selected to operate the moving picture and filmstrip projectors. By setting up the equipment, operating it and returning it to its storage place, the projectionist saves time for the teacher and allows him to spend his time teaching.

Fire Patrol

The Fire Patrol is a safety organization composed of Senior boys. Its purpose is to insure safe evacuation of the school in case of fire and to man the fire equipment.

Most of the careers listed at left did not even exist 20 years ago. On all fronts — science, business, marketing, communications, the arts — the American economy is expanding, changing with the explosive speed of a missile.
